ONE-KEY™ - Unlocking the digital jobsite

# CUSTOMIZE. TRACK. MANAGE.

ONE-KEY™ is the first digital platform for tools and equipment. By integrating industry-leading tool electronics with a custom-built cloud-based program, ONE-KEY™ will provide a new level of control and access to information that will revolutionize the way work gets done.

The ONE-KEY™ range currently counts a drill driver, a percussion drill, an impact driver, 2 x impact wrenches, a Sawzall recip saw and a hydraulic crimper. This is just the beginning!
