Segmentation of the adidas collection

In order

- for adidas to develop and position its collection more target group-oriented,
- for you as a professional dealer to purchase and present the products more target group-oriented,
- to increase the sales numbers through targeted pre-selection,

The adidas collection will be segmented into 10 different customer segmentation.

The aim: Offer adidas products exactly where consumers expect them to be available.

Field of play SS17

Next to every model in the catalogue there are segments shown, which it is assigned to.
