### R CROSSFIT LIFTER 2.0

V65903 MODERN OLIVE/NEON CHERRY/BLACK

V65904 CYCLE BLUE/FAR OUT BLUE/BLACK/CHALK

Size 6.5-14; 15

129,95 €

This flexible lifting shoe balances power and agility for a well-rounded CROSSFIT® workout. Breathable mesh toe keeps foot ventilated. Hook and loop strap locks in the foot to ensure stability and deliver immediate response. Lightweight 3D Fuse Frame construction provides sturdy yet flexible support. Anti-friction lining helps reduce moisture and heat build-up to keep feet dry and cool. Heel clip grips rear foot securely to eliminate excess weight. Flex grooved outsole provides superior traction on multi-surface terrain. Flexible platform allows increased toe spring for multiple CROSSFIT® movements.

Size 5-10; 11; 12 **64,95 €**

The Skyscape Runaround redefined comfort in its introduction in SS14' and helped to coin the phrase "So comfortable you'll forget you have them on". For SS15', the quintessential Skyscape shoe is back but with a rejuvenated vulcanized-inspired outsole and refreshed design details. Features: ▪ Skyscape technology, a precision molding technique adapted to footwear by Reebok. Rather than compressing foam, the foam is shaved and molded to create a soft, smooth sensation and a feeling of unparalleled comfort. The process is adapted from techniques used in the intimate apparel industry and constructed in one of the largest lingerie factories in the world ▪ The upper is sculpted from a unique foam compound that is fused with ultra-soft stretch material and surrounds the foot in 360 degrees of form-fitting comfort ▪ Reebok Memory Tech 365 Insole for non-stop, plush comfort ▪ Exaggerated molded foam details in the tongue and heel collar to provide enhanced comfort and help prevent irritation during extended wear ▪ Skyscape technology in the outsole is a combination of Reebok's proprietary EVA foam outsole compound and unique design architecture which provides underfoot comfort and durability ▪ An even lighter version than the original weighing in at just 4.4 ounces, the Runaround 2.0 is the perfect shoe for
