AR2931 ASTEROID DUST/CLOUD GREY/HERO
YELLOW

Size 6.5-14; 15 **49.990,00 HUF 159,95 €**
SYNTHETICS

No matter how hard you push yourself, this powerful lifting shoe provides the base you need to tackle your next big PR. • Full grain leather toe for comfort and fit. • Dual hook and loop straps lock in the foot to ensure stability and deliver immediate response. • Heat-activated U-Form mid-foot wrap molds to the foot for a custom fit with no break-in period. • Anti-friction lining helps reduce moisture and heat build-up to keep feet dry and cool. • Heel clip grips rear foot securely to eliminate excess weight. • Flex grooved outsole provides superior traction on multi-surface terrain. • Full stability platform minimizes energy loss from toe spring.

The CrossFit Nano 6.0 adds innovation to the evolution.

- Re-engineered anatomical design with newly developed contoured heel counter.
- Compression molded midsole with new RopePro+.
- New Sandpaper-textured KEVLAR® on medial side to create even more bite on the rope.
- NanoShell midsole supports the foot during medial and lateral movements.
- KEVLAR®-infused upper for ultimate support and protection.
- KEVLAR® in the toe is combined with a layer of DuraGrip for a durable Toe Taction protection and lightweight flexibility and durability.
