19th April 2017

Dear Parents and carers,

Safeguarding

Please remember to let us know if your child is unable to attend a club. We always take a register at the start of clubs and chase up any children who are not there. This can be difficult as we have limited staff available after school, so it is important we are aware of non-attendees then we will know all the children are safe- thank you. Please also let us know if there is a change to your usual collection arrangements in plenty of time, this is especially important for the bus.

There will be an e safety session delivered by Mr Chris Roche for Y5 and Y6 on May 22nd. This will then be followed by an e safety session open to all parents and carers on Thursday 25th May from 7-9pm. The school will be charged for this session so we need to be sure that enough parents wish to attend to make this worthwhile. Please click on the link <https://goo.gl/forms/9JwAjKMDQ9QSDwJe2> to register your interest in attending the session. Alternatively there is an attendance slip at the bottom of this newsletter. I have been advised by other schools that Chris delivers a very useful and informative session or parents and would encourage ALL parents to attend if they are able no matter what age your child is.

Clubs for terms 5 and 6

Clubs will restart in the week beginning 1st May and will end on Friday 14th July. Please note that there will not be any clubs (except Judo) on **20th June as it is Sports afternoon.**

Due to the high demand for clubs and the limited spaces in some of the clubs we ask that when completing your request form you only select one of the clubs from the following list; Recorder club, Film club, Fun club,. In addition, if your child is in the relevant year, you can choose cricket club as the numbers are not limited in this club. Please complete the online club form by the 26th April so that we can allocate places by the 28th April. You will be notified by Parentmail **only if you child has been allocated a place** in their chosen club. If a club is oversubscribed all requests will be put in a hat and names will be chosen at random. Click on the link to complete the online club form if you are having trouble accessing the link try copying and pasting it into your browser <https://goo.gl/forms/DbTlhu9mLLVQECvC2>

Sensory Garden

This is being reopened to children following some major pruning work over Easter. Please can I ask that children are not allowed to play in there after school as we have had a number of instances of children climbing on top of the equipment in the area unsupervised.

Flat Cashed

Thank you for all your support with the campaign for fairer funding for schools. This an ongoing concern for us. The results of the funding consultation will not be known until the autumn but we will keep you updated when we have further information.

Bird and Bee box

Don't forget to keep checking in on the bird and bee box. The bird box now has a blue tit nesting with at least 6 eggs as of today.

The link for the box is

Login details are:

Password: swan128

The bee box is also "live" but the cocoons delivery has been delayed to give the bees the best chance of hatching. We hope to have our cocoons in situ very soon so keep watching!

Yours sincerely
