CARING CHILDREN LOVING LEARNING

5<sup>th</sup> March 2018

Dear Parent/Carers,

In 2017 the staff and governors decided it was time that we took another look at the Vision for the school. A working party was then set up to represent parents, staff and governors and a new Vision was created.

The Vision was then discussed with the children at school and a new working party representing teachers and pupils was created as we were keen for the children to decide upon some images to go with each statement to make the Vision more meaningful and memorable for pupils. Once ideas for the images were decided upon each class was given an image or two to work upon.

I am pleased to be able to inform you that all this work is now complete and the new Vision for the school is now complete, see below.

The Vision for Burwash CEP School

We are proud to be a forward thinking village school. We are a community who works well together with a strong, trusting, family feel.

Our Christian ethos underpins all that we do.

**Headteacher** Debbie Gilbert  
**Chair of Governors** Jan McKeever  
East Sussex County Council

We are a welcoming and inclusive school where everyone is valued and children's self-esteem, rights and responsibilities are promoted and dignity is respected.

Inspirational teaching promotes high aspirations for all children, both socially and academically.

A love of learning is nurtured through our vibrant, innovative curriculum.

Children and staff are confident, happy and independent learners.

Outdoor learning gives children the opportunity to develop an inquisitive and positive relationship with the natural world.

Children develop an awareness of the wider world through our work in local, national and global partnerships.

Strong governance and leadership ensure a safe and exciting learning environment.

The Vision with its artwork is on display in the entrance hall- do have a look when you come to parent consultations.

On a completely different matter- please be aware that the school crossing is unlikely to be manned now in the mornings until Easter.

Yours sincerely

Debbie Gilbert  
Headteacher
