CARING CHILDREN LOVING LEARNING

9th February 2018

No. 9

Dear Parents/Carers,

Bird and Bee boxes

Many of you will remember the excitement of watching the blue tit laying eggs last year and the subsequent hatchings that we could watch via the webcam.

Our webcam is now up and running again and can be viewed at:

<http://www.seenature.org.uk/school-zone/school-streams/>

The log in details that you then require are:

Username: burwash2
Password: swan128

Then go to live streams to view the box.

The bee camera is also set up however we are not expecting any activity yet. We managed to harvest some cocoons from the box last year and these are being kept in the fridge. Once the outside temperature is a steady 13-15 degrees the cocoons will go into the box and we then hope we will see bees hatching. The log in details for the bee box are the same as for the birds.

February break

As I am sure you are aware next term is the February break with school restarting on Monday 19th February. I hope everyone enjoys a restful break.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Debbie Gilbert'.
