

Pub Crawl

Rules

1. Pub Crawl takes place on Friday, on the 22nd of September at 7pm in the downtown of Tartu. The start will be given at Town Hall Square.
2. Registration begins on the 4th of September on Tartu Student Days website www.studentdays.ee. The participation fee is 9€ per team (3 persons).
3. All contestants must be over 18 years of age and shouldn't be visibly intoxicated. Contestants are not allowed to use any aids in solving tasks (e.g. smart phones).
4. All of the pubs/checkpoints must be completed in an order given by the officials. There are officials in every checkpoint who explain the tasks and give a signature to your team after successfully completing the task. While crossing the road, teams must follow the traffic regulations and must wait for the green light. Ignoring this rule will result in point reduction. Teams must consist of three members and must be represented by both genders, meaning there must be at least one female and one male in your team. The official finish time will be that of the last person in the team to arrive at the finish at Town Hall Square. It's also where the award ceremony will take place afterwards.
5. The organizers of Pub Crawl reserve the right to make changes in the competition. All participants will be notified of the changes before the start of the competition.
