Mission

- Represents the sector to EU stakeholders and policy-makers;
- Supports a balanced regulatory framework for the sector;
- Promotes contact lens to Eye care professionals and patients.

Euromcontact in 2016 at one glance:

Governance

- Mark'ennovy joined Euromcontact in 2016.
- Euromcontact has started collaboration with SNITEM.
- **In 2017 Euromcontact will continue its outreach to possible new members.**

Regulatory Affairs

- Euromcontact' advocacy was successful: non-corrective contact lenses are included in the scope of the Medical Devices Regulation.
- Euromcontact attended 12 Commission expert meetings and worked on UDI, expiry date on primary pack and e-IFU.
- Euromcontact released its 2016 Clinical and Evaluation Document.
- **In 2017 Euromcontact will focus on MDR implementation; e-IFU for CL and common specifications for non-corrective lenses.**

Promotion of contact lens

- Euromcontact simulation tool is available in English, Spanish and Italian. The tool was promoted in major optical congresses in Europe.
www.tool.euromcontact.eu
- 2016 Euromcontact Statistic report was released in Q2 2016.
- **In 2017, Euromcontact will continue the promotion of contact lens sector, mainly through a social media campaign.**

Collaboration

- Euromcontact continues to drive the discussions at European Contact Lens Forum and contributed to three new documents in 2016.
www.eclf.eu
- Euromcontact is a member of European Coalition for Vision promoting vision to EU public health agenda.
www.ecvision.eu
- **In 2017 Euromcontact will continue its partnership with EU institutions and stakeholders.**
