

KERAPHEX - TREATMENT

Shampoo + treatment + hairdryer styling

	Price with VAT EUR
Short	20,00
Medium	25,00
Long	30,00
Very long	35,00

KERAPHEX treatment strengthens the hair structure and repairs the hair as a result of damage caused to the hair by chemical treatment, making them stronger and more flexible.

If Keraphlex treatment used with other offers then added to the offer price:

	Price with VAT EUR
Short	10,00
Medium	12,00
Long	15,00
Very long	18,00

Strong chemical processing of the hair may split or break the hair. Adding KERAPHEX before chemical treatment, the possibility of hair damage is prevented. The unique color protector keeps the color pigments longer in the hair and visibly enhances the luminosity.
