BROOKLYN

bohemian, chic, bold colors,
different solution

Bohemian and chic, for the bolder person who loves colors and interesting solutions. The tonality of the rooms is white: a neutral background where one can create their own look, complementing the rooms with colorful furnishing elements. Deep reds, blues or yellow ochre tones are all suitable. The floor is natural oak parquet. The wash-room walls have white brick-shaped tiles in a brick pattern, with indigo blue tiles on the floor as an accent.
