

WAT PHRA THAT DOI SUTHEP MEDITATION CENTRE PROJECT

New WDS Meditation Centre Project in Estonia

In collaboration with Estonian Theravada Sangha

WAT PHRA THAT DOI SUTHEP MEDITATION CENTRE PROJECT

Overview

Introduction

Estonia is a small European country located in the Baltic region of Northern Europe, bordered to the North by the Gulf of Finland, to the West by the Baltic Sea, to the South by Latvia, and to the East by Lake Peipus.

Today, in Estonia there is not a single Buddhist temple or meditation center. Estonian Theravada Sangha and Wat Doi Suthep aims together to open the first International Meditation Centre and build up the first Buddhist Temple. With your help, we hope to make this idea a reality.

Goals

This International Meditation Center establishment project objectives are as follows:

- To build up in Estonia the first International Meditation Center
- To introduce the authentic teaching of the Buddha in Estonia and Europe.
- To offer the opportunity to practice meditation and Buddha Dhamma in a peaceful and beautiful environment.
- Keep alive the authentic dhamma-vinaya and meditation practice, as it was taught by the Buddha and as it appears on the Pāli Tipiṭaka.

International WDS Meditation Centre

2016, the **Most Venerable Phradhamsenabodi (Thongchai Suwannasiri)**, Head monk of Wat Phra That Doi Suthep, donated the house and land on the Aegna island, in Estonia. The island is located 14 km from the mainland, and belongs to the Nature Reserve. Being on the island, you can feel a natural balance, peace, tranquility and see the untouched beauty of nature - it is a perfect place for development of the mind. The next step is to complete the renovation of the house, in order to open an **International WDS Meditation and Dhamma Centre**. For this purpose, we have started fundraising. We are deeply grateful for your support!
