

Automated Parcel Machine SnapLocker

Opens new doors to success

✓ Open an app

✓ Scan the QR-code

✓ Get your parcel

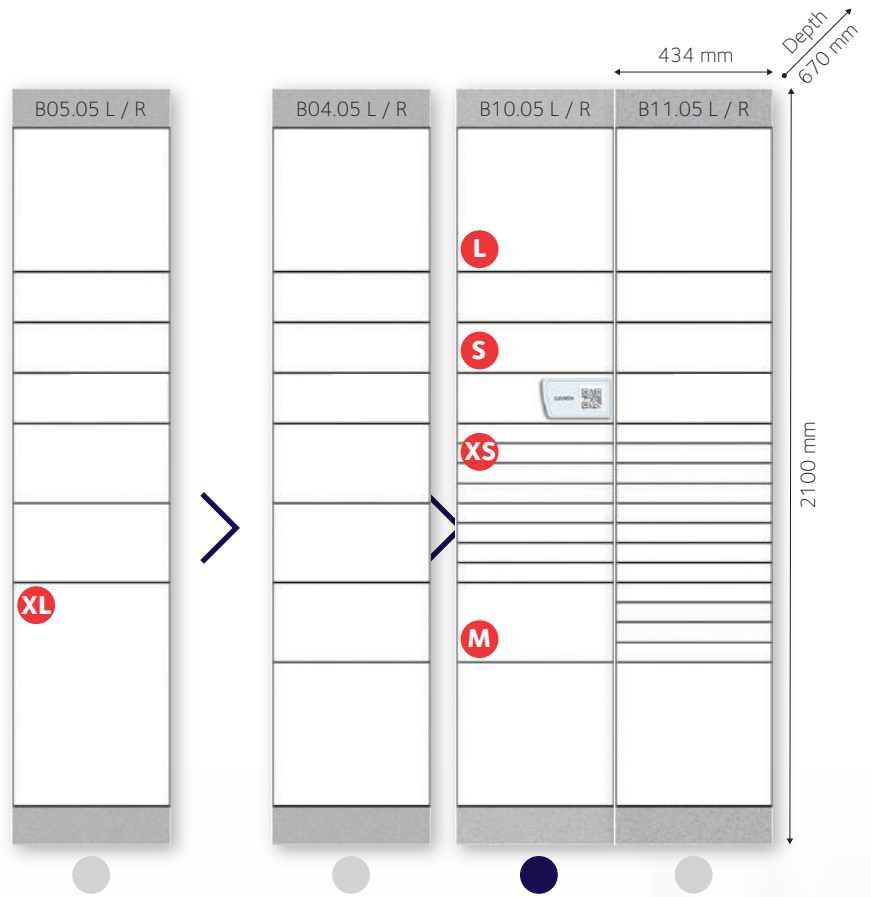

Check out more www.cleveron.eu/snaplocker

SnapLocker is the price leader of our product range and brings down the price of the automated parcel machine to a level never seen before.

On one hand it opens doors for any SME retailer by enabling the deployment of self-service platform within their service processes.

On the other hand it provides an opportunity to existing parcel service operators to expand and optimize their networks cost efficiently.

Slot size	Inner dimensions (mm)			
	H	W	D	max load (kg)
XS	45	360	530	5
