	Price category for cushion cover:	Category 22 fabric (22)		
	Cover selection for cushion cover:	22.247 (22.247)		

Microfibre materials are not suitable for this range because of their limited ability to stretch. The air does not escape from seats that are covered in leather quite as rapidly as with knitted or woven textile fabrics. Development of waviness and seat indentations are unavoidable for comfort and design reasons, even with high-quality Rolf Benz upholstered furniture. All measurements are approximate.

Sum: 14 402,00 €

VAT (20,00%): 2 880,40 €
