Strutynskyi Bogdan

Chairman of the
National Union of Theatre Artists
of Ukraine

Dear friends and theatre people in Ukraine

We share your pain of loss and your fear for the lives of your loved ones.
The declaration of war has been executed and the crime against
humanity has started.

Those, who have started this war, will have their victims weighing upon
their conscience and this is the beginning of their final road.

You are not alone and you never will be alone in your resistance to
violence and this aggression.
Our thoughts are with you. We support any nation's right to be free.

Be strong!

Chairman of the Estonian Theatre Union
