Item with Link	Price w/o VAT	Picture	Remarks
Compact 1RU 8x8 3G-SDI Matrix Switcher MSS0811	€699		<ul style="list-style-type: none"> · 8x3G-SDI inputs, 8x3G-SDI outputs · SDI input signal auto detection & equalization · Level A and level B signal supported · Pass all ancillary data and embedded audio · DVB-ASI interface compatible · Free PC software control: LAN, RS-232 · Front panel buttons control & USB keyboard · Redundant power
1:4 SDI Re-clocked Distribution Amplifier SD1141	€99		<ul style="list-style-type: none"> · Automatically detects SD, HD and 3G-SDI · 4 buffered and re-clocked outputs · 3G/HD/SD-SDI multi-rate signal processing · Output 2 & 4 support DVB-ASI signal · Automatic cable equalization and signal retiming · Pass all ancillary data and embedded audio · Micro USB and DC power · Detachable bracket design for wall mounting
Quad Spilt Multiviewer MV0430	€269		<ul style="list-style-type: none"> · 4xSD/HD/3G-SDI inputs with auto detection · 2xSD/HD/3G-SDI and 1xHDMI outputs for multi-view · 11 selectable SDI & HDMI output formats · Up/down scaling and frame rate conversion · 16 preset layouts, Support both full-screen & multi-view mode · 11 character UMD overlay, support custom position & color · Audio level meter overlay, support custom position · Control easily via the DIP switches · USB port for keyboard control · LAN port for control and firmware update
20Km 3G-SDI Fiber Optic Extender FE1121	€369		<ul style="list-style-type: none"> · 20km transmission distance · Support 3Gbit Level A and Level B (all formats) · SFP/ LC Fiber transmitter & receiver · SDI equalization and re-clocking · 3G-SDI input & loopout on transmitter · Dual 3G-SDI outputs on receiver · SDI input automatic switching SD, HD & 3G · USB power supply
3G-SDI to HDMI & AV Scalling Converter SC1120	€199		<ul style="list-style-type: none"> · Input: 3G-SDIx1, Alt 3G-SDIx1, AES/EBUx1, analog audiox1 · Output: 3G-SDI loopx1, HDMIx1, AVx1, AES/EBUx1, analog audiox1 · Up/down scaling and frame rate conversion · AES/EBU or analog audio Embedding & De-embedding · Input signal automatic detection and configuration · LED indicators for power and signal lock · Control easily via the DIP switches · Remote control for PC via USB
HDMI / AV to 3G-SDI Scalling Converter SC2031	€199		<ul style="list-style-type: none"> · Input: HDMIx1, AVx1, AES/EBUx1, analog audiox1 · Output: 3G-SDIx3, AES/EBUx1, analog audiox1 · Up/down scaling and frame rate conversion · AES/EBU or analog audio Embedding & De-embedding · Input signal automatic detection and configuration · LED indicators for power and signal lock · Control easily via the DIP switches · Remote control for PC via USB
3G-SDI to HDMI Mini Converter Mini SC1112	€69		<ul style="list-style-type: none"> · Mini Size · Convert 3G-SDI to HDMI W/ SDI loop out · Powered by Micro USB 5V, 2W · Bracket for wall mounting
HDMI to 3G-SDI Mini Converter Mini SC1221	€69		<ul style="list-style-type: none"> · Mini Size · Convert HDMI to 3G-SDI W/ 2xSD out · Powered by Micro USB 5V, 2W · Bracket for wall mounting
