

SIZE GUIDE

We will gladly accept the change or return of a ring purchased and sized in our online store.

However as You want to wear Your jewelry and get it right on the first try, we recommend to measure Your size based on the guide below.

This is a printable size guide, for accuracy please ensure You print it at 100%.

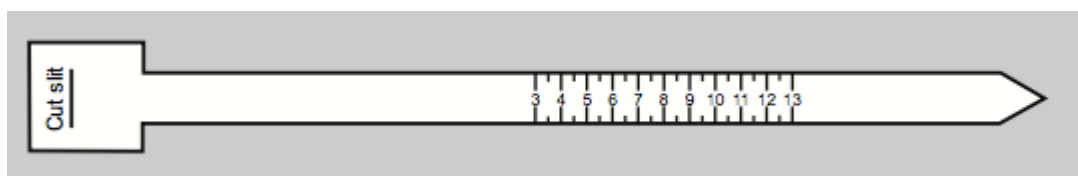

THE STRING TEST

- Cut a small piece of non-strechy string or ribbon.
- Wrap it snugly around Your finger for an accurate measurement. Wrap it tight, but not too tight - You want Your ring to be comfortable.
- Mark the point with the pen on the string where it overlaps forming a circle.
- Compare the length of Your string with our sizing chart below. Thats Your ring size. If You are between sizes - order a larger size.

THE PAPER TEST

- Print and carefully cut out the ring sizer below.
- Cut the slit.
- Slip the pointed end through the slit and place around Your finger.
- Pull the pointed end so it slides a comfortable fit.
- The arrow will point to Your ring size.

For more accurate results ask someone to help You with Your measurements.

It is good to double check for accuracy.
