

Cleveron 302

Advantages of Cleveron 302:

- Unique drawers (patent pending)
- Higher parcel capacity per square meter (up to 55 parcels per 1 m²)
- Designed to fit in with modern commercial interiors
- Modular column configuration
- Maximum integration capabilities
- No proactive maintenance required
- Proven technology in live use for 6 years
- Designed to meet the needs of users with disabilities
- Designed with total cost of ownership in mind

Cleveron 302 meets the requirements of users with disabilities (e.g. 2010 ADA Standards for Accessible Design and EU Standard EN 301549)

Automated Parcel Terminal With Drawers
