Communication News & Resources

## SIGNPOST

*Welcome to Signpost! Bringing you communication news and resources for the month ahead.*

*April celebrates signs and symbols, and we're vocal about voice care!*

Jenny Law, SLT

## HAVING A VACCINATION

## KEY-WORD SIGNS

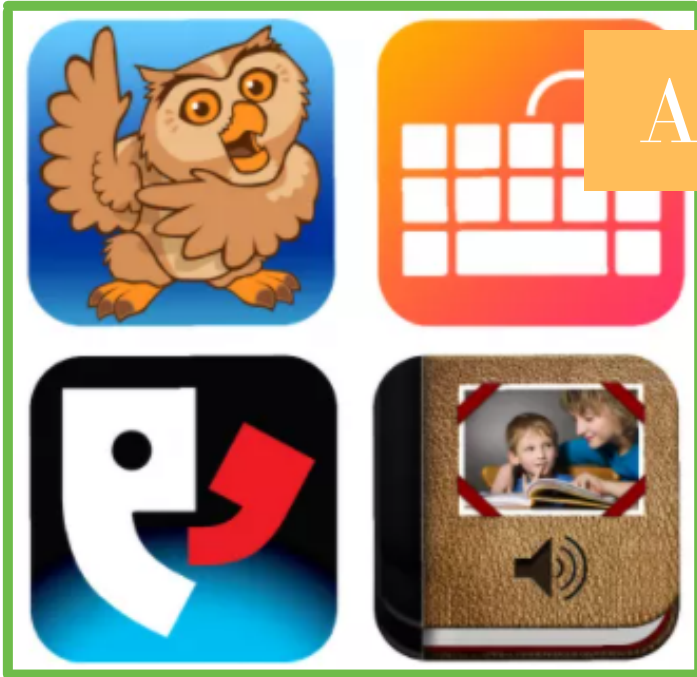

*Are you giving vaccinations or supporting people before, during and after injections?*

*Learn to speak and sign about the flu and Covid-19 vaccinations using Signalong's free poster. Including clear pictures and useful sign descriptions.*

*Want to start signing or hone your hand-shapes? Speech and Language Therapists will be leading a supportive Key-Word Signing class in Yeovil starting on Tuesday 27th April.*

## ...AND COURSES

## ASSISTIVEWARE

*Software and training for Augmentative and Alternative Communication (AAC) are often expensive. But AssistiveWare has 50% off from 30th March to 6th April. Perfect if you've been thinking about investing in Pictello, Keeble, Proloquo2Go, Proloquo4Text, or some AAC training videos.*

## WORLD VOICE DAY

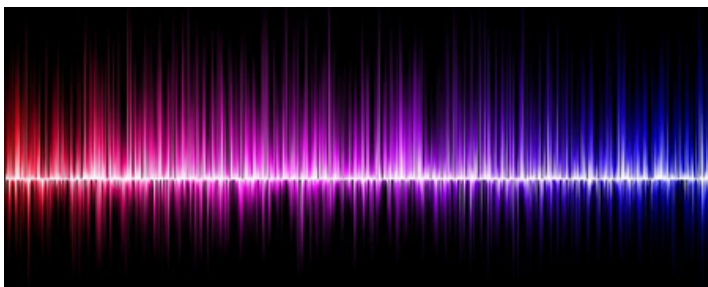

*Learn how to look after your voice this World Voice Day, April 16th!*

*If your voice is vital for your work, the NEU's well-written Vocal Care page is a great resource. And singers might like this free session from The British Assoc. for Performing Arts Medicine.*

*Did you know that Covid-19 can also impact the voice? The British Voice Association has straightforward advice for anyone affected.*

## VOCAL CARE

## VOICE BANKING

*Voice Banking and Message Banking are becoming more popular amongst people who use Voice Output Communication Aids, and those at risk of voice-loss.*

*New to voice banking? No problem! This handout from the The Royal College of Speech and Language Therapists gives a great overview with real-life examples.*
