An offer you can not miss

Vertex Systems is happy to announce a special promotional offer for all Eesti Puitmajalid members on two days Vertex BD Introductory Training Course in Estonia:

Place: Toompuiestee 21, 10137 TALLINN (EPML office)

Date: Tue-Wed 27.-28.9.2016

The goal of the course is to give the knowledge of basic functionalities and possibilities of Vertex BD. The course is led by professional Vertex trainer and it is **free of charge for all EPML members.**

Vertex will provide lunch and refreshments during course days. Accommodation and travel costs are covered by participants. The course is arranged in English. **After course all attendees will receive a free two-month trial license for Vertex BD Building Design Software.**

Preliminary schedule:

Tue 27.9. 9-16 Vertex BD for timber-frame and log houses

Wed 28.9. 9-12 Vertex BD for timber-frame and log houses
12-16 Vertex BD loghouse functionalities

Vertex laptop computers will be available for the course attendees. If you want to use your own laptop, you will be provided a trial license for Vertex BD installation. Please check our recommendation for the *hardware*.

Course will be organized with a minimum of 6 attendees. Maximum number of attendees is 12.
