

The "Aru 68 CLASSIC IN" window with the bevelled edged sash and frame (rustical profile) is a suitable solution for buildings with a more classical architecture using a double glazed unit. The choice of timber includes knotted and knot free pine, finger jointed Pine, Meranti Oak.

A three-layered window, the frame is protected with an aluminium glazing bead. The Georgian style bars also have a rustical profile. There's an option of using concealed hinges. Available with a choice of handles.
