People

Everyone is a genius.

But if you judge a fish
on its ability to climb a tree,
it will live its whole life believing it is stupid.

~ Albert Einstein

Priorities

Will the choices you make today bring you closer to or farther away from where you want to be tomorrow?

Your priorities aren't what you **SAY** they are.
They are revealed by **how you LIVE.**

Besides the noble art of getting things done, there is the noble art of leaving things undone.

The wisdom of life consists in the elimination of non-essentials.

Lin Yutang

"The key is not to prioritize what's on your schedule, **but to schedule your priorities.**"

- Stephen Covey

Responsibility

THE MOMENT YOU TAKE
RESPONSIBILITY
FOR EVERYTHING
IN YOUR LIFE IS THE MOMENT
YOU CAN CHANGE
ANYTHING IN YOUR LIFE.

Responsibility means I.....

..accept when I have done something wrong and put it right.

..take care of everything and everyone.

..look after things and put away when I have used them.

..am a good role model.

..remember to do jobs that I need to do.

..always try my best, I know what I need to do to improve and then I do it.

..know what is right and wrong.

..do things without being asked to.

Conclusion

not a destination."
