Triikides kinnituv tugiriie

Totally Stable. Iron-on Tear Away Stabilizer

Totally stabilizes virtually any fabric in seconds with no time-consuming pinning. Eliminates shifting, sliding and puckering. Excess tears away easily without sticky residue.

Stabilisieren Sie fast alle Stoffe in Sekunden ohne aufwendiges Feststecken. Verhindert Verrutschen und Verziehen. Überschuss läßt sich ohne klebrige Rückstände einfach abreißen.

Stabilisez presque tous les tissus en quelques secondes sans utiliser d'épingles. Assurez-vous que le tissu ne se froisse ou qu'il ne se déplace pas. Arrachez simplement l'excédent du Tear Away Stabilizer sans laisser des morceaux collés.

Påpressbart, rivbart mellanlägg. Totally Stable är en sekundsnabb förstärkning som passar nästan alla tygkvaliteter. Ingen tidsödande nålning. Totally Stable ligger fast utan att glida eller tänja sig. Överflödigt material rivs lätt bort och efterlämnar inga klabbiga rester.

Stabilizzatore da stirare e da strappare. Stabilizzate quasi tutti i tessuti in qualche secondo senza sprecare tempo per puntare. Impedisce lo spostamento, lo scivolamento e la distorsione. Lo stabilizzatore in eccesso può essere strappato semplicemente senza resti collosi.

Verstevigt werkelijk leder materiaal secondensnel zonder tijdrovend vastspelden. Verhindert verschuiven, wegglijden en rimpelen. Wat overblijft kan er eenvoudig zonder kleverige resten worden afgetrokken.

Totally Stable

Triikides kinnituv tugiriie, kus ühel pool on liimipind. Kasutatakse venivatele ja väga libedatele materjalidele tikandite tikkimisel. Tugiriie triigitakse materjali alla kinni enne tikkimist ja hiljem rebitakse ülejääk ära. Tugevdab tikitavat pinda ja väldib kanga venimist ning libisemist tikkimise ajal. Tugiriet saab kasutada ka lõigetena juurdelõikusel ja aplikatsioonide väljalõikamiseks (tugiriie liimitakse materjali pinnale).

Pakk 52 x 25 cm, rull 0,52 x 25 cm.
