**Report**

1. The topics of the previous meeting were recalled.
2. Som: proposed the idea of using different donation boxes to cover different expenses, eg: to cover electricity costs, to pay rent, etc. As the temple is still small and there is not enough space at the moment, it was decided to stay with the single donation box system, as it is now. It was decided to change the location of the donation box: it is now on the shelf next to the door.
3. Rev. Ṭhitañāṇa will make additions to the letter prepared by Mr. Prabhashwara Premarathna to Monica Thaddey, Mahabodhi Metta Foundation (Šveits), and will send it to all members of the Board of Trustees no later than Tuesday of next week.
4. The letter to Monica Thaddey will be sent from the new postal address [bodhitempel@sangha.ee](mailto:bodhitempel@sangha.ee).  
This postal address will be created by Rev. Ṭhitañāṇa.
5. Rev. Ṭhitañāṇa arranges for a newspaper article to appear.
6. On December 10, Bodhi Temple will organize an *uposatha* day. Rev. Ṭhitañāṇa is doing an event on Facebook and prepares the schedule for the *uposatha* day.

The next Board of Trustees meeting will take place on 04.12.2022 at 13.00.
