Who is Go2Piemonte?

We are Esther Honée and Aad van Opstal.

We first arrived in Piemonte 15 years ago. And that made so much impression that we did not let Piemonte go. Nice people, beautiful surroundings, wonderful climate, a treasure in the culinary field and no mass tourism. In 2009 we bought a house and in 2015 we settled ourselves in Piemonte.

In 2015 we started with the renting of Ebikes and now we organize these beautiful trips. We are your local contacts and always receive you personally. You can count on us!
