

Recife –
Barbados –
Guadeloupe
2018.02.05-23

s/y **AMBERSAIL**

LTU 1000

Atlantic challenge:

- ✓ 2500 nautical miles
- ✓ 16 days

Last opportunity!

It is the last opportunity to sail with the Volvo-60 (Assa-Abloy sister boat). The boat is coming back from the other side of the Globe. Currently moving from New Zealand till Cape of Horne.

After Ushuaia boat will change crew in Recife (Brazil) and via Caribbean islands will sail to Klaipeda. That's it. 2014-2018 program will end up in Klaipeda and the boat will sail locally.
