

TRADING PROGRAM

This trading mentorship program will give you the independence to take trading decisions confidently whilst developing your own personal and profitable strategy. This mentorship program teaches you how to identify and capitalise on trading signals given by technical and fundamental analysis. Seasoned traders will develop their knowledge by learning state of the art advanced quantitative models and methods which are tried and tested, these are branched from a geometry and physics background.

WOLF TRADING STRATEGY™ outcomes:

- Identify when and why you lose money.
- Develop your discipline – Controlling fear and greed.
- Gain knowledge and skillsets of technical and fundamental analysis to profit in a variety of different trading contexts.
- Learn and apply risk management to your trading strategy.
- Create, develop and maintain your successful trading strategy.

Discuss and discover

*The CUBE – Developed with 7 years of extensive research through a large variety of markets and asset classes.

*Tipi and Pyramid models in development.

*Implementation of the Feynman Diagram in technical analysis.

The three key areas shown below will bring you to the level of consistently strong results in trading:

Framework

In order to avoid blowing up your capital at the beginning of your trading experience, it is important to first solidify your framework, covering these areas:

- Personal abilities
- Control and decision making
- Timing and productivity
- Performance analysis
- Record-keeping

Solution

Once you have the framework, you can now begin to look into these key areas for solutions to fix profitability issues:

- Trading psychology
- Technical analysis
- Fundamental analysis
- Risk management
- Trading strategy

Growth

Growing your portfolio size takes time, realistic goals are never too far away. We need an established framework and a lot of patience to follow it correctly. We need to work hard to continuously learn and develop every day. The Trade Academy™ is here to provide you with one to one support through the mastery of your learning and trading strategy, making sure that you stick with the strategy that's right for you and don't fall for mistakes that cause over 95% of traders to fail. Never change the way of how things work for you!

Thank you for considering this course, it is a pleasure to have you among this fantastic community and we hope that you dig deeper into what The Trade Academy family has to offer you. By joining us, you are hitting a great milestone in your ultimate goal to becoming a successful trader! In completion of this course, you will be ready to take on what the market will throw at you, and keep calm during the choppy waters of the financial market ocean. From the team here at The Trade Academy, we wish you the best of luck in your journey to financial freedom.
