Creative Scholarships are for ballet and dance workshops in Estonia and abroad (including transportation, workshop fee, accommodation, cultural events). The purpose of the scholarship is to help improve you to become a better and more sophisticated artist. **Creative scholarship applications must be handed in before an event, training or project, and will not be reimbursed afterwards.**

1. Find a project that you want to participate in that you think will enrich you as an artist.
2. Collect research about the project, calculate all the costs and create a budget list.
3. Fill in an application form for a creative scholarship here: <https://balletiliit.ee/for-member/support/creative-scholarship>
4. Send the application to the Union by the 10th of the next month.
5. If the board has approved your application you will receive a notice about it and also a contract from the Union.
6. Make sure the info in the contract is correct and sign it. Either print it out, sign it and give it to a board member (by leaving it at Vanemuine or National Opera's front desk <https://balletiliit.ee/contact> or sign it digitally and send it back to the Union by e-mail to janika@balletiliit.ee
7. When your signed contract has reached the board, they will credit the amount of the scholarship into your bank account (written in your application).
8. Use your scholarship money only for the purpose written in the application.
9. Make sure you keep all the proof of payments. Don't pay in cash, don't let anyone else pay for you (because if you can't prove your costs you must pay the amount back to the Union).
10. After the project, compare your budget implementation with the receipts (or proof of payments/ bank statements). Make the calculations, mark the receipts so they are easy to understand. Rename all digital attachments for better archiving. If the proof of payment does not cover the full amount of the scholarship, the balance must be returned to the Union account. If the scholarship does not cover the proof of payments the Union can not cover the extra costs.
11. Fill in the Scholarship's Targeted Use Report. It was sent with the contract, but also can be found on Union's home page. Report for the purposeful use of the scholarship: <https://balletiliit.ee/for-member/documents>
12. With the Report form, send all the receipts to the Board. You can combine how you send your documents. For example, you can send all the tickets by e-mail and leave a paper signed Report form to theatre's front desk. Make the Report as clear and understandable as possible, otherwise a board member will require additional questions about the usage of your scholarship. Write down all the costs and add all the proof, rename files, add prices – if it's clear for you, it's clear for a board member who checks and registers the form.

ARUANNE SISULINE OSA (DESCRIPTION OF THE USE OF THE SCHOLARSHIP) WHAT DID YOU DO WITH THE SCHOLARSHIP? HOW DID YOU BENEFIT FROM IT? HOW DO YOU PLAN TO USE WHAT YOU LEARNED? Thanks to Estonian Ballet Union I was able to spend two weeks with the greatest American choreographer – George Balanchine. During these two weeks he gave me personal ballet classes every evening before the company class in the theatre. It was very challenging but also a marvelous experience. Now I master Balanchine's technique to perfection. After the private class I followed Mr B during the days in New York City Ballet where he is still very strongly present despite of the new choreographers and teachers. Balanchine's way of working is phenomenal! He works both with soloists and the corps de ballet – he did't make a difference between them. Every member of the company is a treasure to him. I wish to use this approach also in my new theatre. I saw all the NYC's performances that were in repertoire during my stay ("Serenade", "Prodigy son", "Apollon") and ADI ballets ("Swan Lake" and "Raymonda"). I am very grateful to Estonian Ballet Union for the scholarship. I promise to use my knowl- edge here in Estonia as I'm opening the biggest ballet company in the country here in Middle-Estonian Cultural Palace. And I'm delighted to see that Mr. Balanchine agreed to become it's director of honour.		<table border="1"> <thead> <tr> <th>Tulu allikas</th> <th>Planeeritud summa (planned amount)</th> <th>Tegelik summa (actual amount)</th> </tr> </thead> <tbody> <tr> <td>Eesti Balletiliit</td> <td>1350,00</td> <td>1350,00</td> </tr> <tr> <td>OperaBallets</td> <td>250,00</td> <td>213,47</td> </tr> <tr> <td>Foundation of Estonian Culture</td> <td>500,00</td> <td>500,00</td> </tr> <tr> <td colspan="2">KOKKU (TOTAL): 2100,00</td> <td>KOKKU (TOTAL): 2163,47</td> </tr> </tbody> </table>		Tulu allikas	Planeeritud summa (planned amount)	Tegelik summa (actual amount)	Eesti Balletiliit	1350,00	1350,00	OperaBallets	250,00	213,47	Foundation of Estonian Culture	500,00	500,00	KOKKU (TOTAL): 2100,00		KOKKU (TOTAL): 2163,47
