RITROVA IL TUO EQUILIBRIO E RIGENERA IL CORPO, LA MENTE CON I COLORI DELL'ACQUA

Esiste nulla di più rilassante di una doccia calda, al termine di una stressante giornata di studio o di lavoro?
Sì, esiste e si chiama cromoterapia.

FIND YOUR BALANCE AND REGENERATE THE BODY, THE MIND WITH COLORS OF WATER

*There is nothing more relaxing than a hot shower at the end of a stressful day of work or study?
Yes, it exists and it is called chromotherapy.*

La cromoterapia si integra facilmente ad altre terapie e trattamenti in modo da esaltarne i risultati e aumentarne gli effetti benefici. Per questo motivo viene spesso abbinata ad attività di benessere, come il massaggio e i bagni termali. Questi soffioni per doccia sono progettati con questa ottica, abbinare una pratica doccia a una vera e propria seduta di cromoterapia. Attraverso un programma completo e diversificato di esposizione a una precisa gamma di colori si può quotidianamente e a casa propria beneficiare di tutto il benessere e il relax della cromoterapia.

Chromotherapy is easily integrated with other therapies and treatments in order to enhance the results and increase the beneficial effects. For this reason it is often combined with welfare activities, such as massage and spa baths. These shower heads are designed for this reason, match a practical shower in a real session of chromotherapy. Through a complete and diversified exposure to a specific range of colors you can every day and at home benefit from all the well-being and relaxation of chromotherapy

Il beneficio dei colori nel soffione per doccia
