

Sproutgrain Rye

Healthy grains, tasty breads

Sproutgrain Rye

Did you know?

Centuries ago, Russian and Chinese folks were sprouting grains and beans. Sprouting allowed them to enjoy many health benefits such as avoiding scurvy disease or improving digestion.

The future of bread lies in its past

As we believe that the key to create the bread of the future is to look into its past. Therefore, we launched **Sproutgrain**: ready-to-use sprouted and fermented wholegrains & seeds.

ALSO AVAILABLE IN

ORGANIC

CLEAN(ER)
LABEL

Sproutgrain Rye consists of sprouted and fermented rye kernels.

What's my grain?

Rye: Typical from the north of Europe. This grain is rich in fibers that are beneficial to your health. When sprouted, it brings honey and malted notes.

What's in it for me?

As a baker

**INNOVATION
& DIFFERENTIATION**

Creating new breads in line with consumer trends.

CONVENIENCE

Ready to use.
Easy to use.

VERSATILITY

Endless applications,
endless creativity.

As a consumer

**OUTSTANDING
FRESHNESS**

The grains slowly release their infused moistness to naturally prolong the freshness of the bread.

GREAT TASTE

Unique flavours brought by fermentation.

HEALTH

Source/rich in vitamins, minerals and fibres. Wholegrain.
