

Cleveron 301

Cleveron 301 is a modular parcel locker with proven quality and low maintenance costs

- > You can choose the layout, number of columns and slots according to your needs. The final price will form based on the number of columns and slots.
- > The doors on the column can be chosen to open to the right or to the left.
- > Cleveron 301 is convenient to use for handling up to 30 parcels a day. For higher volumes, Cleveron 302 is recommended to ensure efficiency and convenience.

The diagram illustrates the modular construction of the Larderle® refrigerator. It shows a series of vertical units with different slot counts: 2 slots, 5 slots, 6 slots, 7 slots, 8 slots, 10 slots, 14 slots, and 17 slots. Each unit is composed of a base and a top section. The units are connected by a central vertical rail. The diagram also shows a side view of the refrigerator with a control unit and a PIN pad. The price list at the bottom provides the cost for each configuration.

Configuration	Price (€)
2 slots	800 €
5 slots	850 €
6 slots	900 €
7 slots	1000 €
8 slots	1070 €
10 slots	1340 €
14 slots	2117 €
17 slots	2484 €
Sidewall	146 € (1 pc)
PIN pad + control unit	1094 €
