SÜVAHAVVA, RÄPINA PARISH. OPENING HOURS FOR THE MUSEUM NIGHT: 18-23

Wool factory and woollen yarn; knitting needles and woollen gloves; etc., etc. For this year’s

pattern-themed Museum Night, we will be displaying local handicraft.

Needlework has been practiced in farms throughout history and this is precisely what we will be showing. As it has become customary for the Museum Night, we will display a rare collection of works from local craftsmen for one night only. Visitors will be able to see contemporary knitting and knittings for sale, but also some rarities passed down to us by great-grandmothers and, of course, the wool factory museum.

RÄPINA LOCAL HISTORY AND GARDENING MUSEUM

PARGI 28, RÄPINA. OPENING HOURS FOR THE MUSEUM NIGHT: 18-23.

The programme will begin with a tour of the museum and introduction to the main building of Räpina manor, given by Toivo Lees.

Minna (a student of Marju Varblane) will perform on a small Estonian six-string zither.

The lawn of Räpina manor park will be filled with wondrous patterns by the folk dancers of Haanja Dance, Drama and Song Society, supervised by Ulvi Toomik.

Music for singing and dancing is provided by folk music orchestra “Oravapoisid” (“Little Squirrels”).

Spirited performances from female gymnasts of Räpina, supervised by Anu Tuvik, and from the Ruusa Dance Enthusiasts’ Society’s male dancing group “Nõtked ja Karvased” (“Lithe and Hairy”), supervised by Piret Varjund.

At sunset (approximately **21.30**), we will take a walk with Arvi Lepisk from Räpina Nature Conservation Society, who will tell us about bats and uses a detector to convert their echolocation signals into sounds that are audible to the human ear.

Our balcony cafe will serve the most delicious snacks in the world, prepared by Kersti Purge & OÜ Uueskuues Koduköök.
