Introduction

Kai Villemson is an attorney-at-law with extensive international experience specialising in contract law, dispute resolution, family law and consulting the technology sector.

Kai is one of the few legal experts in Estonia who have obtained a professional certificate in the United States equivalent to a sworn advocate. Kai practised as a lawyer in the United States, became a member of the New Jersey Bar Association, and has also served as a law clerk at the Superior Court of New Jersey in Camden.

At RASK, Kai consults clients mainly on corporate and IP matters as well as employment law. From the United States, Kai also brings extensive experience in representing clients in family law disputes, including divorce, division of property, custody and inheritance matters.
