

**The Worshipful Company of Spectacle Makers' Charity
(Reg.No.1072172)**

The 100 Club

The 100 Club is a scheme which provides funds for our own charity to make grants to those with vision impairment, whilst giving each member their own chance of a cash prize! Membership of the Company's 100 club is by way of shares. Each share gives the shareholder a chance of winning £250 in one of the draws that take place each year, at the June and December Court Lunches. There is also one Star Prize of £1,000 drawn each December. With membership limited to 100 people, you know that you will always have a great chance of winning – compare that with the National Lottery!

It is so easy to purchase and you can even buy multiple shares. Each share costs £100 and anyone who wants to support the Charity can apply, so long as they are over the age of 18. The subscription rolls forward automatically each year by setting up a standing order. Get involved and help your Charity!
