HEALTH CHECK NOTICE

Due to the increasing number of coronavirus infections, the ISU in conjunction with the LOC decided to conduct a Skater and Staff Health Check for all participating team members.

This effort will help ensuring all athletes and entourage are safe and healthy.

The check will consist of a short questionnaire and a temperature check.

Upon your arrival at the hotel or accreditation room, a table will be set up for the check.

All accreditation will be handed out upon completion of the Health Check.

Please have an English-speaking staff to help translate the questionnaire.

Thanks for your cooperation in keeping training and competition environment safe.

LOC and ISU
