Docked tails and cropped ears

Dogs whose ears and/or tail are docked and born after 01.08.2013 may not participate in the show. If the dog is born with a short tail, it must be noted in the catalog.

Grooming, combing, cleaning

Grooming / combing of dogs is allowed if a blanket / mat etc. is placed under the grooming table / dog, on which you can immediately clean yourself. Trash cans are by the rings! The organizer keeps the right to fine you, if you do not clean after yourself.

Security

Please do not leave your things unattended. Although there is video surveillance in the hall, it is very difficult to identify pickpockets later.

Food, drink at the Saku Suurhall

In Saku Suurhall, it is forbidden for people to consume their own food and drinks. Snack kiosks will be open during the event. There is no ATM on site.

Notice! If we make changes in ring Schedule / judges, we will publish them right here on the website. A good idea to look before the show!

Good luck!
