# The Curious Journey of a Curious Mind:

PJ's adventures led him to the sun-kissed western coast of the United States of America, where his Curious Mind was drawn north of San Francisco Bay.

The local people introduced him to the sumptuous richness of orange citrus fruit. PJ recognised immediately how this bright and colourful burst of fresh California orange citrus would meld into the existing exotic layers of fresh citrus, giving birth to an authentic American edition of Drumshanbo Gunpowder Irish Gin.
