

Please keep this manual for further use

USER MANUAL (Rack)

IMPORTANT INFORMATION:

Please read this manual carefully before assembling and starting to use the rack (hereinafter also: the *product*). In case you have any questions, please contact the producer OÜ Ning (<https://www.nipsti.com>) for further instructions: nipstikids@gmail.com; facebook: <https://www.facebook.com/nipstikids/>.

Please follow the instructions and warnings given in this manual regarding the installation, use, maintenance and utilisation of the product - ignoring those instructions and warnings may entail bodily injuries upon using the product.

Installation instructions

! Upon installing the pegs on the rack make sure to push the peg deep into the hole designated for the peg. If the product is installed on the wall, the pegs must reach through the holes to the wall.

The product must be installed only by the adult. The product package includes small parts (screws, woodel dowels). NEVER leave the screws and wooden dowels to the children's reach, small parts are a choking hazard for the child.

Instructions and warnings related to use

The product is intended for home use only.

NEVER use the product outdoors. The product is intended for use only indoors.

NEVER place the product or parts of the product (pegs) in the vicinity of dangerous things or appliances (e.g. oven, stove, fire place).

NEVER let a child to put the rack details (e.g. pegs) in his/her mouth or chew them as this may cause parts or wood fibers to separate from the rack details and these may cause injuries to the child (e.g. they may cause choking hazard, injure the mouth etc).

Instructions and warnings related to maintenance

For cleaning the product use a damp soft cloth, and if needed, gentle non-abrasive cleaning agent. Do not use for cleaning a sponge or a cloth with a rough surface as this may permanently damage the surface of the product.

If the product has become unusable

An unusable product (e.g. the product has broken, the product has extensive moisture damages and it cannot be repaired) utilise the product according to the applicable waste management requirements.

Utilise the product package according to the applicable waste management requirements. Upon keeping the product package store it in a place that is outside the reach of children. The package is not intended for playing or for any other use by the children.

In case you need additional pegs for your rack, please contact us by e-mail or facebook addresses given above.
