Erasmus+ Youth and European Solidarity Corps are supporting

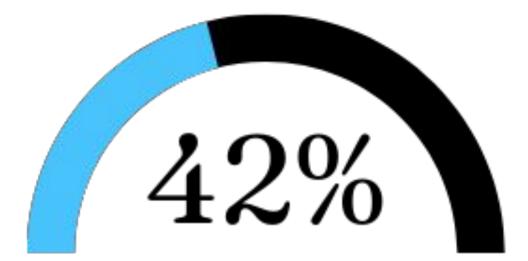

With

of the overall budget

Combined data for both Erasmus+ Youth and European Solidarity Corps extracted on 21st of March 2024 from the Dashboard (curtesy from SI NA)

Disclaimer:

- not all data is there, because the tools do not support it (e.g. I could not get inclusion participants for ESC 2019 and 2020)

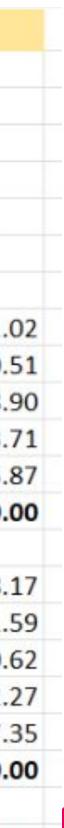

from the total number of participants with fewer opportunities

• data is collected at Selection Stage and can be different on implementation level, especially for accredited projects (mostly higher)
