

Draw attention to branding, products, services, or business premises with custom printed flags.

Instantly noticeable due to their height, shape, and movement, our all-fibre flag poles are durable and flexible, easy to assemble and quick to deploy, making them an extremely effective means of advertising.

Choose from a range of free-standing, post / wall mounted, mobile and specialist hardware that can be used in a variety of applications such as car forecourts, festivals, and beach flags.

Alternatively, deploy taller or multiple flags to increase visibility and attention to branding. Our all-fibre flag poles are reusable with interchangeable graphics for greater return on investment. To protect this investment, it is recommended that flags be kept securely in place by selecting an appropriate base suitable for the desired application and location from the specifically designed range.

Flags

Available as single or double-sided options and printed using hardy, UV resistant media, flag graphics can be utilised indoors or outside with standard or custom flag shapes.

Free-standing flags

Zoom+ Quill / Feather / Crest Flag

Zoom+ flags are a popular and versatile, lightweight flexible flag system, with black finish all fibre poles. Choose Feather, Quill or Crest shaped graphics. Ideal for advertising and used for all types of indoor and outdoor displays. Optional custom printed flag graphics are available in a range of sizes from small to extra-large and with a choice of single or double-sided options (small, medium, and large). The eye-catching shape creates movement in the wind and is a great for attracting attention.

Material	GRP fibre glass pole
