

# Take advantage of outdoor events with a temporary structure and create additional marketing opportunities.

Offer customers protection and shelter from the weather by choosing custom-printed tents that also provide an attractive brand marketing solution.

Conventional pop-up tents and gazebos are fantastic outdoor or indoor structures which provide a unique way to advertise in a vibrant impactful manner with fully printed canopies and walls.

Constructed from robust steel or aluminium in a variety of sizes that are easy to transport, assemble, deploy and pack away, pop-up tents are ideal for short term events, fairs and exhibitions.

## Tents

For a more unique and unconventional structure, choose the Bora Inflatable Tent. Simple to inflate for rapid deployment with an appealing eye-catching shape, the Bora, like pop-up tents, also offers optional printed canopies and walls. Customisable areas make highly effective brand

messaging, ensuring maximum impact at events. As with all custom-printed graphics, they can easily be replaced so that hardware is used multiple times, improving return on investment.
