ATTENZIONE: I colori dei campioni sull'intero catalogo sono indicativi. A causa della natura dei prodotti decorativi si consiglia di controllare sempre la colorazione in anteprima. In base alla temperatura il materiale potrebbe densificarsi, in tal caso diluire con acqua secondo le istruzioni della scheda tecnica.

NOTICE: The colours displayed by samples contained in the catalogue are purely indicative. Due to nature of decorative paints you should always check the color preview: depending on the temperature the material may thicken. In that case dilute with water, according to the instructions on the technical data sheet.
