CERTIFICATE OF FACEDURIAS Y AUTHORIAS

Once I made a flower out of a laze. The excitement of turned into large pull that prevented to see the dew rising from the White Rose. A poke at that place hurt. I hurt there a "man" that was laughing about my girlfriend in front of me and in front of friends as I had relation with his brother. About 20 years ago. The laze about 12 years ago tea we had before. A loving friend I also let go of with love rather than out to the air of taos.

A piece of written I burried resembling sinking shens and Chens. Something that is know on a CHi GOng practice and when one stops one remembers with the light that srhinks. Th live tha srinks may help you find my website and this certificate that liberates. Littler marks and little writtens there are always i nthe body and then the choice is choice to advance a degree or not.

10% of resourcers as before it was 10\$ hour and within what was agreed verbally and written.

a bear bear scathed she left as the mark scratches-- 1 is for one 1 is for 1

the crust I removed with a practice. once the crust healed which was imediate the idea of studying dissapeared the crust has form within someone else that took . The effect of the work like i offered sometimes for the time it was it was for the time it was and attracted clients that appreciates .
