1- el de la moticicleta

2- el haber violado la vida misma al hacer gays hombres y haber dejado violencia.

3- En un momento cuando organizaba la coleccion de fotos de AmlnLove When I was deciding within the size and the effects I chose the bigger side I believe over 2 inches in which they would have be a little distorsion due to puntillismo so as to move back and forth to find a voice developing because of computers.

4- At the same time the choice was to keep it in the delivery box to bring it in archival conditions without being opened. Within that time that sai that delivers life and myself goes with the art until the art is exposed properly and the things that needed to happen to happen. And it developed Ukraine + de conflicts in Oriente Medio, conscioulsy hurt a child and created a new niño. SO it did to a woman and me - The Bouthillier Torres while putting all the attributs to models. Mosquitos may eat many of them or to the very least they would always be around or inside liek they did like the eyes of the crows the jaw and the crow of the eagles.

5- It left marks so as to create a meta fealing that i broke the other day with two buttlr knives.

6- tHat belongs to you alogn with the obstrucitons of the stone that i used for control. as to be within yuo you you y ella along with her peopel which one is between my body still creating circunstances even looks of people arround that one is a thief. if you want to meet me poor like at some point yuo can travel yourself to India or I can take you there . in better conditions than I traveled but you would see and you would feel.

the place of tjat and them is to make those places the platform pulishing in Israel. WHere thee wold somethign similar to a nail. Which you have

There you would chant your paints and your own chest drivings. There would be a fance liek it there would be war with stones so keep every to use as a tirabeques.

Or that man that is so brave with the scratches of electronicks will take you there. To were there about you would stop from a bus. Tehn a car with that water loves that would take you near a lake lost a Tear. from a tear a lake was form. You until you find eyes. .

would be milk. A walk up morning you would find bringing down crake. - A monkey you The monkey may be sunrise or before the mountains were the formed a hole.

Two would move to this were there is a painter Pintor Stolz
