querido, querida Gianantonio Corno, Italiano de Aqua Vitae, Reiki (Master) of in Manhattan. One evening I spoke with him at his office and about the 2nd level or something. And then he said "you would be free" or something like that. In a session, one self put his hands on an the fire woke up a little bit. " he said he hit my hand like a "master" when in reality my hands was letting her know how hot and wonderful the body responded that how the Reiki and from there life was being stolen from her. Then on the conversation I said "I am Free" and "I am" so he was buried even with a little Reiki chain:: Like they started to download codes of slavery even though one knows for many that is fine.

BUT, one night, one was sleeping which is different than ben asleep or boaterhigh doing things while the realms and women and even young knows and they cannot tolerate that anymore and those sexual harrasementes along with the threatenings along with the children or thbut what they would carrie does mans without that romance thinking of warriors . as they do their penitencies :: That I hear, I felt, they were talking about me. At the WWTC. SO I raised . and I looked at him . Probably he was telling "there is a man, to who woman response" he told me he his free, the
