

A mimujer Donna Marie B la habéis estado ensulando con porquerias de tauros rings y toxicidades en intercambio de dinero en los masaje y a la familia entera en intercambio de dinero. Sepan que no son solo certificados para la vida y la muerte para que sepan sino para que encarnen y desencarnen los meritos y los dineros y privilegios robados. Vinagre de ojos pues hoy yo no tome vinagre. En el mundo de las devas no son bienvenidos ni bienvenidas. a los cuerpos humanos como flores y viñas marchitas. y asi hay esto de la poblacion y esto de la poblacion. la caspa de vuestros pelos sera mas nutritiva que cualquier cosa que haya dentro de vuestros cuerpos en representacion de los altramuces y las cascarras que tirabais cuando en realidad uno removio un ladrillo y se fue en lugar de respirar aire .. de vuestras acedurias de las almoadas o si uno se tumba de un lado o de otro:: de las augas y los caballos ya toque y saben y respondieron -

the very one is within my body today in relation to the one that intuitively i saw in a moment playingdrums in Eugene and I wrote to the boss of scorts profile and the scort german blond that wear red bikini in a pool in relation to Asa Akira the boss of them is. In France Summer 2023

they came at a night I was sleeping and they said if you dont take money from the white house we would cut your ball. one day another day sex love they said they i thing I negro or nigger or black within her with the intention - both ends cover- they said of braking the womb of life even from her own race or descendancy or of the all of them like one end is the vineard, the other end is the bottles of wine. At a register in Eugene and a couple of places I said what would happen if someone get the hands into your register. Would you like that even if they areb billioners or famous people? One may said to the very east they would cut their hands on the register or like with the top of a piano o keyboard. Even since the First People the Spider WOman the best any of yuo qualifie is the voice of duncking donnals along with the pagitas along with the wishes you all put into them. To a Court Issue in Or I sent a certificate. Form therer you all speak and encarnate instead of saying we dont do that anymore - os one of the thigns we do one time and that is all.

Spain has companies with the simbol O . Like in Valencia which if I had some decision I would investigate and would kick them out of Spain. Rahter than to let those to replicate. They love to fuck the ass of woman and then they leave a mark ad they clean the US from their Karma It is what your beloves has and why so many are so tigh up. Ask them Ask those generations since 1976 __ they would do at the Terraneous as this are sentences of the spring sword that governs the laws but with the benefith that with money or without money os lo comeis todiko todito. En lugar de eh con x millones tiramos a todo el mundo y asi Cuando un cantante dice soy una mierda que flota, son ustedes las mierdas que flotan por el mundo.
