1- In Eugene, so you all get it all clear_ Someone was letting my restles. So my intuition said take the cord of apple - in representation of who was taking and a latigo - find that in google - in BK i was ones in awhile having coffee form Ethiopia- i was aware i was nourishing an

ing my restles. So my
g and a latigo - find th
as aware i was nourish
k that cord and hit the
So that - said ! i dont
then I check in Instagi
reses your self wit htr
er what i suffer! so ba
areness . like one is g

aspecto of my genes of like etiophian woman. And so i took that cord and hit the bed as i was slashing the bed - like in a metafpsicla real ones i sas that. So that - said ! i dont do that anymore— Your dears or that so to your bodie rather than then I check in Instagram and she was vegan promoting social work... .to the bodies you espreses your self wit hthe pucheritos- dont you came from behing saidn everhyouoen should suffer what i suffer! so back and that means i will suffer the pains of evryone for taking that o awareness . like one is going after a light that is stolen from me-

I traveled to yeah ayeas the one that voice is the one that provably stopped before arriving to burgos Burgos so there is no a trace so that is why people feels lost in burgors ... or looking aroudhn to see what was lost.. to that lke that thing said within the 20 bodies or more i moved the hand i gave 20

ostias para ue entremedios delas capas del dao se solidifique en los aspetos robados aunque parecencan luminosos ahou lucen aganadas y ahi luces roadeas . if the US buys or the White Hosue buyes it to keick the back really to kick the but of those that said they are owners of everytihng.
