Yo Joaquín Torres Rodríguez pago impuestos una vez al año. Aprendí los principios en España y en los EEUU a un nivel más elevado y más y así hice mejores preguntas. Esto significa que pago una vez al año: internet, phone, food, etc. ANd for my new purpose which I did not claim anything last year is 1 transportation when i work and it would be for one middle ground trip and 1 sleeping place. So there would be the benefits you can and others use Google to translate and yes i would teach you English if you put your tongue were you belong.

1\$ COUNT FOR ME FOR THIS, 12 WAS TOO MUCH.
