SO it is no related to one personal life and achievement.

- 1- they stop the sale. A sale of art tthat would put war where it belongs and no for a reason like that. Even in the battlefield.
2. For that to happen the drama and that thievery subtle way of harming people or families consciously is to go to them. WHICH should have happen as one was doing the art.
3. Then the ceertificate was designed to process themselves once they buy the art with the different forms of their money.
4. They wanted to leave the art at a house of friends.
5. It did not sale as one was travelling with it through France with direction.
6. Back to Eugene where the origin of that mark was put before one was born. There an scene was seen. Before they asked where is the booklet, do you know what you were doing so one needed to write a short documento of how the segments relate and how the axes, 4 i believe were left behind deep in the forest where people dont walk. Like the jaw of a coyote or the jaw of a coyote that one lifted with a stick.
7. Then one was making the light of a home in a tiny appartment as built furniture original for the second time and they took the light and left the drama.
8. Made the tables writtens that reformulated the migrations and connections because some did not buy so there would have been something massive which is what is happening to many people and should no be within and now is the collection of terraneousn and quehayahi o algo así.
9. they wanted to one to go to the first day of school when one needed to be delivereing.
10. Then to Eureka and they stopped both.
11. Then to see the Nackcrucker to see if one knew and it started about hte objects in the house in SSSS before travelling.
12. Traveled with the car to run into a connection that someone was stopping to be with while being with others with the light of one self. But they are aware and they are to be part of ART Natura. Asi -ME CONFUNDIERON y estuve en otro pueblo y dije - estoy buscando a una mujer-
- 13- At her town there was two sayings within the voice of young woman, that she has a man - the man that did not find her - no the man that stole from the sensuality and sexuality that his or were with her. at the same time that vibration taht they left behing so they dont know both woman said from within - that i am the one that would treat them that well -

14. The flow let to a house en el area de Cuenca to visit my family. So there was a plan and someone left a hook. The hook does not count. It prevents to arrive to them. In exchange like the body knows , there I found the tool that they were using so they were putting it to them and they were accusing me of using them. - I got two objects, in relation to an object thta I desiged already in CA. un plato y un vaso en relacion al caliz sagrado y de las velas el vino y el pan. Asi dije voy a pillar un raton le dije a ella. - un raton podria haber pasado y hecho el ruido como hio tirar la olla ayer. Era el 5 de enero. Tambien hice el certificado de la lanza la espiga el caminar y tirar mientras otros o otros y otras ciertas. El ciervo y el niño pues saben que le dije al presidente. Asi en un momento por la noche se vio como ese estaba fornicando con una mujer cuya diosa fluyo hacia una mujer al fuego una vez desde el momento que disfruto del fuego un año antes y a saber quien del fuego del eclipse del inconsciente de Escorpio. El cual era el eclipse que gobierna. Los otros son como ahy que la var los platos, recoger todo del suelo, la manchita aqui la mancitha alli, el agua caliente de la ducha, las formas de la comida o la luz.

15- por la mañana le dije a mi tia que no era sobre el raton y la dije. Y asi la dije que para respetar a mi familia es importante que lo que dejaron detras los que robaron el fuego y los propositos tal y como el sistema legal de España, Alemania, EE.UU, Rusia, Portugal; Francia y Grecia saben asi como Mexico y muchos mas desde el tiempo que se construyo la Mesa. que reciban lo que hicieron desde las herramientas y hacedurias. Por ejemplo cuando aviven el fuego o el fuego se apague por la noche tendran frio y cenizas. Viento y olores tanto de la casa como de una cueva donde alguien encuentra inspiración y hace vino.
