There is a drone at jue feb 6 9.15 pm in Valencia with orange lights over the Avda del Cid like it was in CUllera last Summer. With wherever pointing at my body and family in conjunction with the man of the motorcycle in Valencia. Harming and creating circumstances now it is passing by near Carrer de Burgos. There\_ 9.16-17pm

\_ In response I ground coffee that looks like the missile black from Nintendo as it looks like it and they were using it in conjunction just in case Nintendo would be Sew so there would be a trace to find the people who is using the drone and created suicidal tendencies and subtle torture while were pulling connections away and no tienen el coño ni los huevos el año pasado en fall eugen vineirn ese al que yo llamo ALmaranitcak y no compraron se llevaron lo mejor y dejaron drama los marque con un purpura along with the one that granada de piña de arbol de pino cuerpo con un certificado de la piña pokemon en relacion a Yanan Guru y aongg with who were using Morgan the expresident of EEUU his first lady lover catholic of Catia Clover\_
